Vehicle Information

Each Somerset Condominium Unit has one assigned parking space marked with that unit number in the 1st floor garage. Please use that as your (or your tenant's) primary parking spot in the garage. Unauthorized vehicles, improperly parked vehicles, and vehicles that are not registered with Somerset Condominiums Association may be towed pursuant to the Somerset Rules & Regulations. Street parking, as well as outdoor parking spots in the Somerset driveways are also available for parking your vehicles.

Storage Lockers

Each Somerset Condominium Unit has assigned storage lockers marked with that unit number in the 1st floor garage. Please use that as your (or your tenant's) primary storage location for personal property you want to store outside your condominium unit. For community safety, your storage lockers must be secured with a padlock at all times. Storage lockers left open or unsecured may be locked by Somerset Condominiums Association at owner's expense. If this occurs, please contact the Association to gain access to your assigned storage lockers.

Somerset Rules & Regulations

Please read and understand the Somerset Rules & Regulations regarding:

- use of common areas,
- pet policies,
- prohibitions for placement or storage of your property in areas of the garage, condominium alcoves, decks, walkways, or other Somerset common areas.

Additional information about Somerset's policies is provided on the Somerset Condominiums website: www.somersetcondominiums.org. Please contact the Association for printed copies of policy documents if you are unable to access the Somerset website.
